Chop Down Your Prep Time

The Electric Twist & Chop will make you twist and *shout* with how evenly your food comes out.

- **Steely Strength:** The blades are strong and durable enough for foods like fruit, vegetables, and cookie crumbs.
- **Drizzle It In:** The lid has an opening to slowly add oil or other liquids while it's running, so it gets evenly incorporated.
- **Compact & Streamlined:** It's small enough to store in a cabinet or large drawer, or leave on your countertop.
